

# Dramatically cut your costs

## Hybrid stain removing machine

New

*ECORZA is the result of taking on the challenge of waste-free stain removal to protect the environment and reduce costs!*

ECORZA greatly reduces the environmental impact as well as your running costs by eliminating the need to waste solvent!

**ECORZA fuses everything great about ultrasonic waves and spray guns!**

No pain even if it hits you!  
Delicate materials are no problem! Safe!  
Rapid stain removal

**Annual solvent use: 40% down**

**Example** 100,000 yen worth of solvent x 0.4 = 40,000 yen  
**40,000-yen cost reduction**

Comparison of solvent use per minute (as calculated by our company)  
Typical stain removing machines of other companies Stain removing machines of company S and C: 90 cc per minute ECORZA: 55 cc per minute

Superlative stain removing machines: Rarosa Product specifications are subject to change without notice to improve quality.
