

# Stain removing vacuum machine

Rarosa Techno Shower System

**A top-class model that enables the use of steam or air**

Easily switch between the wide-sleeve and narrow-sleeve inlet according to your purpose with one touch.

The wide and narrow inlet filters can be attached or removed with one touch to make them easy for anyone to replace. Setting style committed to fashion

Easy filter replacement

**RV-302**

**Outstanding functionality thanks  
to high power and a wide inlet**
